Thursday 26 October 2017

7.45am - 8.30am	Plenary welcome breakfast Light stand up breakfast Darling Harbour Theatre foyer, Level 2											
8.30am - 10.00am	GP17 official conference opening and keynote address Welcome: Dr Bastian Seidel, President, Royal Australian College of General Practitioners Keynote: Dr Jay Parkinson, CEO and Founder, Sheppa											
10am - 10.45am	Morning tea by Australian Digital Health Agency Exhibition Hall 1											
10.45am - 12.15pm	Professional skills building stream Room C4.1 The future of general practice This workshop will cover the history and current context of primary care, the changing face of general practice in terms of patient needs, healthcare costs and technology changes and innovations. You will learn what to consider now and in the future to support the success of individual general practices and a vibrant general practice sector. This session will set the scene for the Professional Skills Building stream where you will learn the skills to grow your own practice.	Member Session Room C4.2 Chapter of Military Medicine meeting and session 10.45am - 12.15pm BOQ Specialist sponsor session 10.45am - 12.15pm BOQ SPECIALIST Military Learning	Sponsored sessions Room C4.3 Roadmap to starting and growing your practice BOQ Specialist sponsor session 10.45am - 12.15pm	RACGP session Room C4.4 RACGP 101: Getting the most out of your college for Registrars (and New Fellows) 10.45am - 12.15pm	Clinical skills building stream Room C4.5 Travel diseases: A world without boundaries	Better systems and data abstracts Room C4.6 Summer is coming: be prepared. General practice emergency planning and response 10.45am - 11.45am Using general practice electronic databases to increase the identification of familial hypercholesterolaemia in primary care 11.45am - 12.15pm	Education and research abstracts Room C4.7 Growing and retaining GP research leaders in Australia... 10.45am - 11.00am 5th edition Standards - what you need to know 11.00am - 12.00pm Responses to uncertainty and its associations in Australian general... 12.00pm - 12.15pm	Quality care abstracts Room C4.8 Trauma-informed care - working with victims of family violence in general practice 10.45am - 11.45am "It's very frustrating and it's incredibly hard work"... 11.45am - 12.00pm Domestic Violence reporting in Western Sydney print media... 12.00pm - 12.15pm	Miscellaneous abstracts Room C4.9 Iron therapy in general practice 10.45am - 11.45am "I wish someone had just asked" - supporting GPs to engage vulnerable young people NSW Health session 10.45am - 12.15pm End-of-Life Care and the Law 11.45am - 12.15pm	Sponsored session Room C4.10 Prescribing for people with type 2 diabetes and renal impairment... 10.45am - 11.00am Impact of multimorbidity on mortality and glycaemia in people with type 2... 11.00am - 11.15am Type 2 diabetes: what's next after metformin - sensible choices to overcome confusion? 11.15am - 12.15pm	Pathways to Fellowship Room C3.6 Walking the Unified Pathway 10.45am - 11.00am Remediation in the progression to Fellowship 11.00am - 11.20am Demystifying the curriculum 11.20am - 12.15pm	
12.15pm - 1.45pm	Lunch Exhibition Hall 1											
1.45pm - 3.15pm	Professional skills building stream Room C4.1 First things first The choice for any Doctor to commence their own Practice is one of the biggest decisions they will make in their career. While the clinical setup of the Practice is extremely important, there is usually a lack of clarity on key taxation and financial matters in setting up or buying into a Practice. The First Things First Workshop will introduce Doctors to the critical considerations for the journey into establishing and running their own successful practice into the future. Session developed by Cutcher & Neale	Sponsor session Room C4.3 Successful General Practice in a patient-centred world HealthEngine sponsor session 1.45pm - 3.15pm HealthEngine	RACGP and abstract session Room C4.4 QIBCPD 2017-19 triennium essentials 1.45pm - 2.45pm The Western Sydney Integrated Care Program (WSICP): Qualitative Evaluation 2.45pm - 3.15pm	Clinical skills building stream Room C4.5 Eyes: Seeing what's new on the horizon This interactive session from Fellows of the Royal Australian and New Zealand College of Ophthalmology (RANZCO) will focus on practical aspects of eye care and interactions between ophthalmologists and general practitioners. Find out about the latest developments in the treatment of diabetes, glaucoma, macular degeneration and the many acronyms: FLACS, PK, DMEK, DSEK, PPV, PRK, LASEK, LASIK, SMILE! The session will feature time to use Fovista cameras and ask questions.	Better systems and data abstracts Room C4.6 Data quality in electronic medical records 1.45pm - 2.45pm How do Australian GPs use ehealth technologies in their practice?... 2.45pm - 3.00pm eReferrals: Why are we still faxing? 3.00pm - 3.15pm	Education and research abstracts Room C4.7 Climate change preparedness - what should go in the GP curriculum? 10.45am - 11.45am Impact of long term national educational programs in primary care to address antimicrobial resistance 11.45am - 12.15pm	Quality care abstracts Room C4.8 Preventing non-communicable disease in primary care 1.45pm - 2.00pm Proton pump inhibitors 2.00pm - 2.15pm Development and piloting of an evidence-based best practice checklist 2.15pm - 2.30pm The patient's perspective of care coordinator 2.30pm - 2.45pm Keeping up with developments in genomic medicine 2.45pm - 3.15pm	Miscellaneous abstracts Room C4.9 Results from the Western Victorian Practice Nurse Project 1.45pm - 2.00pm Creating a sustainable general practice nursing workforce... 2.00pm - 2.15pm Bullying: Incidence, burden of illness and what GPs can do? 2.15pm - 3.15pm	Miscellaneous abstracts Room C4.10 Australian Digital Health Agency session 1.45pm - 3.15pm Medical Termination of Pregnancy in a General Practice setting 1.45pm - 2.15pm The management of menopause: where are we in 2017? 2.15pm - 3.15pm	Quality care abstracts Diabetes Room C4.11 The RACGP selection process for the AGPT 1.45pm - 2.15pm What registers want (and RACGP response) 2.15pm - 3.00pm Roadways to Registrar Research: Academic Posts 2.30pm - 3.00pm Building RTO knowledge and research capacity: Education Research Grants 3.00pm - 3.15pm		
3.15pm - 4pm	Afternoon tea Exhibition Hall 1											
4pm - 5.30pm	Professional skills building stream Room C4.1 Financial and tax management for you and your practice A professional skills building session designed to answer GP questions around business, financial and tax management challenges. You will hear from a number of business specialists as well as a fellow GP. This session incorporates a mix of discussion, interview, audience interaction and a risk/value assessment workshop. Session developed by Prosperity Health	RACGP and abstract session Room C4.3 Australian Journal of General Practice launch 4.00pm - 4.30pm Concussion update: A practical workshop 4.30pm - 5.30pm	Miscellaneous abstracts Room C4.4 Reflective Case Presentations - A Patient Centred Approach to Indigenous Health Training 4.00pm - 5.00pm The impact of trauma on the developing brain: implications for general practice 5.00pm - 5.30pm	Clinical skills building stream Room C4.5 Diagnosis, treatment & surgical options for cancer patients, across all tumour streams The Chris O'Brien Lifehouse GPs are often challenged with managing and screening many different types of cancer. This practical and interactive workshop will be conducted in a speed dating format where cancer specialists from all tumour streams will rotate amongst the tables to help GPs diagnose and manage tumours more effectively.	Better systems and data abstracts Room C4.6 Improving the quality of information technology security within general practice 4.00pm - 5.00pm How I learned to love Patient Reported Measures (PRMs), save time and improve patient care 5.00pm - 5.30pm	Education and research abstracts Room C4.7 CVD prevention guidelines: A new interactive online tool to help GPs assess and communicate CVD risk to patients 4.00pm - 4.30pm The Lipid Hypothesis - Fact Or Fiction? 4.30pm - 5.30pm	Quality care abstracts Room C4.8 Communing and absolute cardiovascular risk 4.00pm - 4.30pm Treating chronic hepatitis C (HCV) in a rural NSW general practice: Her clinic - how does the model stack up? 4.30pm - 5.30pm	Miscellaneous abstracts Room C4.9 Implementation of the patient centred medical home in a newly (re)built for-purpose general practice: Lessons learned 4.00pm - 5.00pm Transitioning from bulk-billing to a private billing GP practice: examining the evidence; sharing experiences; formulating practice points 5.00pm - 5.30pm	Sponsored sessions Room C4.10 How do we use online mental health resources (emH) in my practice? Black Dog Institute sponsor session 4.00pm - 5.00pm e-Mental Health - What's New and What's Coming Soon Black Dog Institute sponsor session 5.00pm - 5.30pm	Quality care abstracts Diabetes Room C4.11 Pain management in general practice - the role of opioids: A discussion forum 4.00pm - 5.00pm Continuity of care associated with improved preventative care: evidence from an Australian cohort study 5.00pm - 5.30pm	FRACGP Exams Room C3.6 Unpacking the exams: for candidates 4.00pm - 5.30pm	
5.30pm - 7pm	GP17 welcome reception Exhibition Hall 1
